Reschedule Announcement for Manufacturing Surabaya 2020

Dear Visitors / Associations / Media / Partners,

Due to the recent and increasing travel restrictions impacting industry participation, PT Pamerindo Indonesia has decided to postpone the 16th edition of Manufacturing Surabaya. The event was originally scheduled for 15 – 18 July 2020. Having taken into consideration present developments and your valued feedback as part of our Manufacturing Series Exhibitions family, we have rescheduled the exhibition to **30 September – 03 October 2020**, at the Grand City Convention & Exhibition Center, Surabaya.

We believe that with more time, normality and confidence will return to the marketplace, travel restrictions will be eased, and as a result better business engagement for exhibitors and buyers.

Our team will reach out to all parties regarding further logistics and planning. Please accept our apologies for any inconvenience caused by this postponement.

We wish to thank those who participate and support Manufacturing Surabaya, and we greatly appreciate your patience and understanding. Our sole focus remains to provide an event of enhanced quality, with more exhibitors, and qualified trade buyers to make your participation a huge success.

We will keep sharing latest information, promotion, and industry news from Indonesia and the region, and hopefully it will continue to inspire you as it has so far. You can also visit www.manufacturingsurabaya.com to see any update information.
