EXHIBITION GUIDE

ABOUT MANUFACTURING SURABAYA 2026

The 20th International Manufacturing Machinery, Equipment, Materials and Services Exhibition

Manufacturing Surabaya 2026 returns as the biggest manufacturing exhibition in Eastern Indonesia, bringing together leading companies, industry professionals, and decision-makers to explore the latest technologies, machinery, equipment, materials, and industrial solutions. As the region's **New Industrial Hub**, the exhibition serves as a strategic platform for networking, business development, knowledge exchange, and industry collaboration across the manufacturing sector.

This year, Manufacturing Surabaya is co-located with **Indonesia Energy Week Surabaya** and **Growtech Indonesia**, creating a comprehensive industrial marketplace that connects the **manufacturing, energy and agriculture** sectors in one integrated event. Together with **Machine Tool Surabaya**, **Tools & Hardware Surabaya**, and **Industrial Automation & Logistics Surabaya**, the exhibition offers visitors access to a complete ecosystem of innovations and solutions driving industrial growth and transformation in Eastern Indonesia.
